DIOCESAN INSURANCE FUND

Over recent weeks all the parishes in the diocese have chosen to cease paying insurance and begin paying into a 'self-insurance' fund. Parish Finance Committees recognise that the new fund is not a 'like-for-like' fund and that in most cases a church or parish building would not be rebuilt. Thank you to everyone who has participated in this discussion. Please note: Our parish buildings will no longer be insured from 31 May 2024.

Your Parish Finance Committee will be working through a Disaster Management Plan to make sure that everyone is clear from the beginning what buildings and eventualities will be covered by the new 'self-insurance' fund. Further details are on the diocesan web page

PETITION TO PARLIAMENT TO REPEAL EOLC ACT

The End of Life Choice Act will be reviewed this year by Parliament. David Seymour, leader of ACT and his colleagues will be seeking to increase the number of the vulnerable in our community who will be eligible to receive a lethal injection or to be assisted in suicide. Right to Life seeks not the amendment of this dangerous legislation, but its repeal. Defend life by signing this petition calling on Parliament to repeal the EOLC Act

Follow this link to sign the petition: <https://petitions.parliament.nz/40305a39-b5a8-4f1b-ec9b-08dc3a97b704> Closing date is 30 September 2024.

DAY OF PRAYER FOR REFUGEES AND MIGRANTS

Sunday, 23 June. Join in this day of reflection and prayer for those who are displaced or forced to migrate due to the impacts of climate change. All have a role to play in protecting our common home. *“We are faced not with two separate crises, on environmental and the other social, but rather with one complex crisis which is both social and environmental.”*

– POPE FRANCIS. The displacement of people due to climate change is a major issue in Oceania. The International Organisation for Migration estimates that more than 50,000 people in the Pacific are displaced each year due to the impacts of climate change.
